6th Grade Service Hours 2016-2017

Please complete **eight service hours** for the 2016-17 school year. You may not be compensated for any part of your service for it to count as a true service hour. Jobs that you are expected to perform as a member of your family (cleaning your room, dishes) will not count. Also, jobs you perform as a member of your parish family (choir, altar server, bible study, safety) will not count. The goal of performing service hours is to serve your community as Christ served His community. Please have a supervising adult sign this form to indicate how many hours of service you have completed. **A minimum of two hours are due to be completed by the Monday before the end of each marking period.** If you perform more than the required number of hours please continue to record them.
